STAGE FOUR RELEASED AT PEEL'S RETREAT

The fourth stage of Peel's Retreat, 8 select lots ranging in size from 1000 - 1455sqm2 has just been released.

Peel's Retreat is a boutique land development of 147 lots located in a protected bush land setting off the Old Coast Road, Mandurah. The last release of lots in this development was in July 2016.

The developer has selected 8 fully serviced large lots in Stage 4 to release – all with natural gas, wide frontages and optic fibre cabling. These lots range in price from \$130,000 - \$160,000.

All of these lots are subject to Bushfire Attack Level (BAL) ratings and have been left at their natural ground contour state.

Only twelve lots remain from the previous releases, many of which have had a price reduction.

Peel's Retreat is nestled in a natural bush land setting, with Peel Inlet to the east and the Indian Ocean to the west. The Mandurah CBD is minutes away, and the Estuary is 300 metres away via pedestrian access. Two primary schools and a boat ramp are just around the corner, as well as a newly constructed shopping centre in Dawesville with an IGA.

Developer and selling Agent Brian Newman from Heath Development Company noted that 'the latest release at Peel's Retreat are large lots at great value - whether it be for quality lifestyle for a family or retirees looking for a large residential lot'.

Peel's Retreat is a joint venture project between Perth based developers Heath Development Company, Markham Development Group and Estates Development Company.
