Award Winning Homes at Peel's Retreat

There are 2 new display homes for sale built within Peel's Retreat land development in Dawesville called The Treeview and The Sanctuary.

Constructed by The Schlager Group, these custom architect designed 4 x 2 homes have been built to make the most of the elevated bush setting and large block size.

The Treeview won Display home of the year in its Category \$260k - \$300k in the recent Master Builders Excellence Awards (South West). It was also a Finalist for Framed Home of the Year in its Category \$250k - \$500k in the Master Builders Excellence Awards (South West). As a category winner, this home will now compete in the statewide Master Builders Excellence Awards later in the year.

The Treeview is priced at \$529,000 and The Sanctuary is \$545,000. Both homes have display home presentations with top quality fixtures and fittings, SMEG kitchen appliances, stone bench tops and timber floors. The landscaping of both sites was custom designed by Urban Outlook, and it finishes the house presentation perfectly.
