LARGE SIZED LOTS AMAZING VALUE AT PEEL'S RETREAT

There are 24 large sized lots for sale in Peel's Retreat in Dawesville, sized between 741m² and 1,488m² and they are priced from \$139,00 up to \$165,000.

These lots are located in Stage 4 of the boutique 147-lot development, just 50 minutes south of Perth CBD, and 15 minutes to Mandurah.

All lots are fully serviced including natural gas, and are cleared with sandy soil. These large sized lots all have an aspect over a central bushland conservation reserve, and are minutes from the Estuary and Indian Ocean.

Close by is a quality boat ramp leading onto the Estuary. The size of these lots can easily accommodate a boat or a caravan, further reinforcing the clever and cost effective decision to be part of this idyllic lifestyle.

Within walking distance is a brand new IGA shopping centre, plus two primary schools are around the corner.

Also within Peel's Retreat is the award winning display homes : The Treeview and The Sanctuary. Constructed by The Schlager Group, these custom architecturally designed 4 x 2 homes have been built to make the most of the elevated bush setting and large block size.

Peel's Retreat is a joint venture project between Perth based developers Heath Development Company, Markham Development Group and Estates Development Company.

Contact Brian Newman from Heath Development Company on 0417 979 015 or 9385 1300 for all land enquiries.
